

My Migration Adventure

Get ready to write an amazing short story about a migration journey! Imagine you are a migrating bird flying all the way from the chilly U.S. to the sunny shores of Jamaica. 

Think about all the incredible places you'll visit on your journey! What delicious foods will you find to eat along the way? 

Will you meet other cool migratory birds? What stories will they share with you? 

Don't forget about the tricky things you might face! Maybe a storm, a hungry predator, or a long, tiring flight! 

Also, imagine the amazing landmarks you'll spot to help you find your way. 

Want to see what the world looks like? You can use Google Earth (earth.google.com)! Just go to earth.google.com. Zoom in and explore the beautiful landscapes waiting for you.

Now, grab your pencil and let your imagination soar!
